## **Manuscript Number:**

## **Author Query Form**

Add the manuscript reviews comments of each reviewer separately in the "Review Details Required" and then respond to each of the items in the "Author's Response" column to be recognize by the reviewers and editor

## Reviewer # 1:

| Query | Review Details Required | Author's Response (along with the corrections place in manuscript) |
|-------|-------------------------|--|
| 1     |                         | (along with the corrections place in manuscript)                   |
| 1.    |                         |  |
|       |                         |  |
|       |                         |  |
| 2.    |                         |  |
|       |                         |  |
|       |                         |  |
| 2     |                         |  |
| 3.    |                         |  |
|       |                         |  |
|       |                         |  |
| 4.    |                         |  |
|       |                         |  |
|       |                         |  |
| 5.    |                         |  |
|       |                         |  |
|       |                         |  |
|       |                         |  |
| 6.    |                         |  |
|       |                         |  |
|       |                         |  |
| 7.    |                         |  |
|       |                         |  |
|       |                         |  |
| 8.    |                         |  |
| 0.    |                         |  |
|       |                         |  |
|       |                         |  |
| 9.    |                         |  |
|       |                         |  |
|       |                         |  |
| 10.   |                         |  |
|       |                         |  |
|       |                         |  |
|       |                         |  |

## Reviewer # 2:

| Query | Review Details Required | Author's Response (along with the corrections place in manuscript) |
|-------|-------------------------|--|
| 1.    |                         | (along with the corrections place in manuscript)                   |
| 1.    |                         |  |
|       |                         |  |
|       |                         |  |
| 2.    |                         |  |
|       |                         |  |
|       |                         |  |
| 3.    |                         |  |
|       |                         |  |
|       |                         |  |
| 4.    |                         |  |
|       |                         |  |
|       |                         |  |
| 5.    |                         |  |
|       |                         |  |
|       |                         |  |
| 6.    |                         |  |
|       |                         |  |
|       |                         |  |
| 7.    |                         |  |
|       |                         |  |
|       |                         |  |
| 8.    |                         |  |
|       |                         |  |
|       |                         |  |
| 9.    |                         |  |
|       |                         |  |
|       |                         |  |
| 10.   |                         |  |
|       |                         |  |
|       |                         |  |
